PATENT

Battery Truth – Real Time Battery Prediction System

Approved | Published

Official Title: Offline Real-Time Battery Runtime Prediction & Energy Estimation System

- Developed an offline real-time battery runtime prediction and energy estimation system for mobile devices
- Designed a lightweight analytics system for battery degradation awareness and runtime tracking
- Integrated real-time monitoring concepts for improving mobile battery performance analysis
- Focused on solving real-world battery optimization and energy prediction problems

PROJECTS

Battery Truth (Patent-Based Project)

- Engineered an offline real-time battery runtime prediction system for mobile devices
- Implemented runtime estimation and battery health monitoring concepts
- Currently under development and publication phase

Smart Employee Analytics Dashboard | Power BI, Excel

- Built an interactive Power BI dashboard for employee attendance and sales analysis
- Implemented productivity tracking and task monitoring features
- Visualized organizational insights using Excel datasets and analytics tools

Meal Planner System

- Designed and implemented a structured meal planning system
- Improved planning efficiency through organized data management

Image Steganography Project | Python

- Implemented secure image-based data hiding techniques using encoding methods
- Enhanced data privacy and secure communication using steganography concepts

EDUCATION

Shri Ram Murti Smarak College of Engineering, Technology & Research

2023 – 2027

B.Tech in Computer Science Engineering

Bareilly, UP

- **Class 12:** Hartmann College, Bareilly | 2023
- **Class 10:** Hartmann College, Bareilly | 2021

CERTIFICATIONS

- Oracle Cloud Infrastructure 2025 Certified
- Deloitte Data Analytics Job Simulation
- Microsoft Excel Certification
- NoviTech 30 Data Analytics Masterclass

SKILLS

Languages: Python, Java, SQL, HTML, CSS

Tools & Technologies: Power BI, Excel, Git, GitHub, Kubernetes

Domains: Data Analytics, Dashboard Development, AI/ML, Data Visualization
